Panthers' Learning Center

We hope our students had a great long weekend and had an opportunity to check their assignments on Schoology and grades on PowerSchool.

The PJP leadership and staff are committed to helping our students succeed in the classroom and beyond. One of the ways we support our students academically is through the Academic Intervention Program. The Academic Intervention Team consists of our school leadership, the Guidance team, the Athletic Director, and the Director of Academic Support, and they review our students' grades weekly.

Students who are failing two or more classes for any reason (including missing work, assessment grades, or absences) when the weekly grade report is reviewed may be asked to attend two study halls that week, either at lunch or after school, in the Panthers' Learning Center. Students who do not attend when asked may receive demerits. We also regularly follow up and check in with students to see how they are doing.

The Panthers' Learning Center is open from 2:30-4:00 PM for students to study after school, and students can request study time using this [form](#) at least one day in advance. Mr. Rogers is willing to meet with students to help them work toward their academic goals this year! He can be reached at jrogers@pjphs.org.

Guidance Office

FASFA-Opens December 31, 2023

If you are applying for financial aid for college, the Department of Education has announced the 2024-2025 FAFSA will be available by December 31, 2023.

In the meantime, you can create your FSA ID ... don't wait to do this because it can take a number of days for the Department of Education to verify your information. Dependent students will need an FSA ID for one or both of their parents as well. All students and contributors (such as parents and spouses) must create an FSA Account—even if the contributor does not have a Social Security number.

The FSA ID (account username and password) allows students and parents to identify themselves electronically to access, complete, sign, and submit a FAFSA form. **If you don't already have an FSA ID, go to: studentaid.gov/fsa-id/create-account/launch to create an FSA ID now.**

Parents: If you previously created an FSA ID, you don't need to create another one. You can only have one FSA ID linked to your Social Security number. However, if you don't remember your username, select "Forgot Username." If you verified your email address or mobile phone number during account creation, you may enter your email address or mobile phone number instead of your username. If you forgot your password, select "Forgot Password," and follow prompts to reset your password.

Additionally, as you wait for FAFSA to open, you can visit and utilize the [Federal Student Aid Estimator](#), which provides an estimate of how much federal student aid you may be eligible to receive. These estimates are based on the Student Aid Index (SAI), used to determine federal student aid eligibility.

SENIORS-College Acceptances and Scholarship & Grant Awards Please Submit to the Guidance Office

As seniors begin to receive college acceptances and scholarships & grant awards, please have your senior submit this good news to the Guidance Office! They can either make a copy of the acceptances or financial awards and drop it off to Mrs. Bell, Guidance Office Administrative Assistant, or they can take a screenshot / picture of it and email it to her at dbell@pjphs.org. If you have any questions, please don't hesitate to speak with Mrs. Bell or your child's school counselor.

Educational Enrichment Opportunities

Below is a Google Doc link listing programs that PJP students can engage in that are offered by organizations and universities across the country. Many of the programs are competitive and have deadlines that need to be followed. There is more detailed information on the websites listed, including application processes and associated fees. Should you have any questions, please contact Mrs. Bell, College & Career Coordinator, at dbell@pjphs.org or your child's school counselor.
