

2024 SUMMER  
CAMP BOOKLET

# WELCOME

## DEAR PARENTS/GUARDIANS,

Pope John Paul II High School is pleased to once again offer a robust summer camp program. PJP Summer Camps are not only a great place to learn or improve a skill, but also provide an opportunity to develop friendships that will last not only during the week of camp, but perhaps into high school and beyond. Another great feature of the PJP Summer Camp program is these camps are held on the same courts and fields of current and past league, district, and state champions. Our fine and performing arts camps take place in state-of-the-art venues that are more common in colleges than high schools. The directors of each camp are individuals who have extensive experience not only in their craft but working with children of all ages. Many are at the top of their field. We look forward to seeing you this summer on our beautiful campus at a PJP Summer Camp or two.

Warm regards,

Vincent Cazzetta

President

Pope John Paul II High School
