RE: *No Child Left Behind Act of 2001*

Date: September 6, 2023

The **No Child Left Behind Act of 2001** requires that all high schools release the name, address and phone numbers of all junior and senior students to all Military Recruiters. Pope John Paul II High School will be complying with the **No Child Left Behind Act**. Any parent or guardian who does not wish to have their child's information released to the Military Recruiters must notify Pope John Paul II High School in writing by **September 15, 2023**. If notification is not received by that date, your child's information will be released.

Please complete and return the form below if you wish to have your child's information withheld.

#### No Child Left Behind Act of 2001- Classes of 2023 and 2024

I understand Pope John Paul II High School's obligation to comply with the requirements of the **No Child Left Behind Act of 2001**. However, it is my wish that my son's/daughter's name, address and phone number be withheld from Military Recruiters.
